WARNING
TOWN OF THETFORD, VERMONT AND
THETFORD TOWN SCHOOL DISTRICT

The legal Voters of the Town of Thetford in the County of Orange and State of Vermont are hereby warned to meet in Anderson Hall, Thetford Academy, in said Town of Thetford on Monday evening March 1, 1976, at 7:30 P. M. to transact the following business:

Article 1. To hear and act upon the reports of the Town Officers.

Article 2. By Petition

To see if the voters wish to accept Federal Revenue Sharing Funds.

Article 3. By Petition

To see if the voters wish to vote on each recommended use of the Federal Revenue Sharing Funds as presented by the Budget Committee.

Article 4. To hear and act upon Part II of the Budget Committee Report.

Article 5. To hear and act upon Part I of the Budget Committee Report.

Article 6. To hear and act upon Part III of the Budget Committee Report and to raise necessary monies recommended by the Committee. All taxes so raised must be in the Treasurer's Office on or before October 27, 1976 with interest of 1% per month thereafter, plus the five cents warrant fee and 8% penalty.

Article 7. To hear and act upon the reports of the School Officers of said District.

Article 8. To hear and act upon Part IV of the Budget Committee Report and to raise necessary monies recommended by the Committee. All taxes so raised must be in the Treasurer's Office on or before October 27, 1976 with interest of 1% per month thereafter, plus the five cents warrant fee and 8% penalty.

Article 9. To see if the voters will vote to appropriate \$2,500.00 for an ambulance fund to assist residents of Thetford, unable to pay part or all of their ambulance bill for the year 1976. (This is in place of contracting the Hanover ambulance service as in previous years)

Article 10. To see if the voters will vote \$1,419.00 to Orange County Mental Health Service, Inc. \$1.50 per registered voter. (\$1,425.00 was voted in 1975)

Article 11. To see if the voters will vote \$3,128.00 to Community Health Services, Inc. \$2.20 per capita (\$3,128.00 was voted in 1975)

Article 12. By Request

To see if the Town will vote to authorize the Selectmen to negotiate for a hose reel pumper and 1800 feet of 4 inch hose, not to exceed a cost of Twenty Seven Thousand Dollars. (\$27,000.00) This unit will be rated at 1,000 gallons per minute and have a capacity of 3,500 feet of 4 inch hose. If the Federal Government grants the Town the money for this truck through the current year funds applied for under the Housing and Community Development Act of 1974, the funds approved shall not be raised.

Article 13. By Petition

Whereas Crystal Lake Lodge No. 34, I.O.O.F. in Post Mills is a non-profit organization and the Hall is available to the public at a nominal rental fee: We petition that the Town taxes on said building be stabilized for 5 years at \$30.00 per annum.

Article 14. To see if the voters wish to exempt 10% of the listed personal property inventory for each year, for ten years or until 100 percent of the inventory is exempt. (This would become effective the year following the vote.)

Article 15. By Request

To see if the voters will vote to exempt from property taxes Fire Ponds provided that said pond has a minimum capacity of 100,000 gallons of usable water, is equipped with a dry hydrant capable of flowing a minimum of 500 gallons per minute and whose location is approved by the Fire Department for year round use.

Article 16. By Petition

To see if the voters of the Town of Thetford, Vermont will call for an investigation by the Vermont Senate, of the Public Service Board of the State of Vermont, particularly with respect to the Board's failure to protect the public.

Article 17. To see if the voters wish to appropriate an additional \$2,800.00 to the Thetford Library Federation. (Their request was for \$5,600.00, \$2,800.00 was recommended to be appropriated from the Federal Revenue Sharing Funds.)

Article 18. To transact any other business which may legally come before said meeting.

Whereupon, after the disposition of said business, said meeting shall be recessed to the following day March 2, 1976 for balloting by Australian Ballot on the following articles. The polls for said ballots shall be at the Town Hall, Thetford Center and shall be open from 10 A. M. until 7 P. M.

Article 19. To elect the Town and School Officers for the ensuing year.

Article 20. To cast ballots in the Presidential Preference Primary.

BUDGET COMMITTEE REPORT

We recommended that the request from Orange County Mental Health Services, Inc., and Community Health Services, Inc. be listed as line items in the warning. Due to the increase in the request of the Thetford Library Federation the Committee felt the difference between last year's request and this year's should also be a line item.

After much debate the Budget Committee decided to recommend an alternative in regard to ambulance funding. If the voters wish to contract the Hanover Ambulance Service as in previous years the total cost could run to \$5,200. The Budget Committee has decided to recommend appropriating the sum of \$2,500.00 for a town ambulance fund to assist Thetford residents in paying a part or all of their ambulance bill for the year 1976. This fund to be handled by the Board of Selectmen. Since we would not be contracting an ambulance service users would be paying the higher non-resident rate, but we wouldn't be liable for non resident bills.

PART I

The Lebanon Regional Airport again asked for a contribution to support the airport. The Budget Committee voted to deny their request due to the current fiscal crisis.

PART II

The Budget Committee recommends using the anticipated Federal Revenue Sharing Funds of \$37,800.00 as follows.

Thetford Library Federation	\$ 2,800.00
Treasure Island (for taxes)	2,000.00
Radio for deputy sheriff	350.00
Pickup truck (4-wheel drive)	6,500.00
Fire Department	2,500.00
School (to defray Bond)	18,000.00
Dump Truck - first year's payment for truck to be purchased on a two year payment plan	<u>5,650.00</u>
	\$37,800.00

PART III

The Town Selectmen propose a budget of \$185,410.00.

Less anticipated funds as follows:

Highway State Aid	\$27,600.00
Bridge State Aid	4,200.00
Also the Town showed a surplus of	<u>2,500.00</u>
	\$34,300.00

Needed to be raised for Town Budget \$151,110.00 compared to \$148,265.00 in 1975.

The Budget Committee recommends raising \$68,175.00 for the Highway Account and \$82,935.00 for the General Funds for a total of \$151,110.00.

PART IV

The School Directors presented a budget of \$519,363.00. Needed to be raised in Taxes is \$478,696.43 plus any decrease in the anticipated \$31,983.00 State Aid or less any increase. Less \$18,000.00 from Federal Revenue Sharing Funds to defray the Bond cost if so voted in Part II. This is \$1.16 tax increase on the estimate Grand List for 1976.

The Budget Committee recommended raising \$478,696.43 less any increase or plus any decrease in the \$31,983.00 anticipated State Aid.

Budget Committee

George A. Phelps, Chairman

Frederick P. Howard

Amy Patterson

George P. Stowell

Frank L. Barker, Jr.

Claude E. Thurston

Emily E. Hood, Clerk

RABIES CLINIC

There will be a rabies clinic Saturday, March 20th, 1976 from 9:00 A. M. to 12:00 noon at the Town Garage. Rabies shots will cost \$4.50 each. Only dogs receiving rabies shots may get their licenses at this time. Others may obtain theirs at the Town Offices during regular office hours: Monday 7:00 P. M. to 9:00 P.M., Tuesday through Friday 10:00 A. M. to 12:00 noon and 1:00 P. M. to 5:00 P. M.

TOWN HEALTH OFFICER REPORT

Under the current individual sewage disposal program, 29 permits were filed and 24 were approved. Problems with existing systems have been reported and these have been handled on a case by case basis. Federal funds have been applied for to provide financial aid to correct systems that have malfunctioned.

The four water companies continue to send water samples for state testing and have met the state requirements. The following additional water samples were taken by the Health Officer:

Bacteriological		Chemical Analysis	
Lake	1	Public Building	1
Private Residences	14	Private Residence	1
Public Buildings	4		

The Town Board of Health is working with the State Board of Health and the Town Zoning Board to simplify and clarify water and sewage subdivision regulations. The effect will be lower costs to the user of these regulations, shorten the time requirement, and minimize paperwork.

I wish to thank all Thetford residents for their cooperation and support in the carrying out of my duties. Any health problem relating to water, sewage, or physical health should be reported to me as soon as possible.

Respectfully submitted,

Robert A. Eaton
Health Officer

THETFORD FREE BED FUND

Thirteen Thetford Residents received assistance from the bed fund between July 1, 1974 and June 30, 1975.

Unused Balance June 30, 1974	\$ 313.78

Edward LaMontagne, Tax Collector

AT LAST, THERE IS A DEFINITIVE STATEMENT ON POLL TAX COLLECTION. THE VERMONT SUPREME COURT HAS RULED THAT DRIVERS LICENSES MAY BE SUSPENDED AS A MEANS OF COLLECTING POLL TAXES.

SELECTMEN'S REPORT

The Board of Selectmen meets weekly in the Town Hall. Our meetings are open to the public and Thetford residents are encouraged to attend and offer their suggestions and criticisms about town government.

The Selectmen have taken a number of actions in the course of 1975 which will affect the future operations of the town. These decisions may be summarized as follows:

ROADS – The driveway permit was revised to provide for review by the road commissioner of a proposed driveway before it is begun. The specifications for upgrading a class IV road to a class III road were revised and a class IV road policy adopted. A town highway map with road classifications is posted in the town hall.

DOGS – A dog ordinance was adopted and took effect July 25, 1975. A copy of the ordinance is printed on page 87 of the town report.

FLOOD HAZARD REGULATIONS – These regulations were adopted by the selectmen in July and took effect August 6, 1975. HUD has accepted these regulations and authorized the sale of flood insurance in Thetford. A map outlining the flood hazard areas in Thetford is posted in the town hall.

FEDERAL MONIES – Federal Revenue Sharing Funds were expended on two major projects: (1) the purchase and installation of ten radios for the school buses,, constable, road equipment and town hall, and (2) the drilling of a well for the town hall and garage and plumbing of a bathroom for the town garage.

An advisory committee was appointed by the selectmen to investigate applying for federal funds under the Housing and Community Development Act of 1974. A proposal has been submitted for \$139,000 in block grants: \$30,000 for a new fire truck, \$45,000 for a new fire station in Post Mills, \$12,000 for a new FAST squad rescue vehicle, \$32,000 for road rehabilitation of sections of Route 132, Academy Road and Godfrey Road, and \$20,000 for a housing rehabilitation program.

We would like to thank all those who have given of their time this past year in service to Thetford town government. We are especially thankful for the fine work performed by our town clerk, Mrs. Emily Hood, road commissioner, Mr. Claude Thurston, and town crew.

George P. Stowell, chairman
Virginia Babcock, clerk
Richard Hauger

Thetford Board of Selectmen

THETFORD VOLUNTEER FIRE DEPARTMENT

Report for 1975

The Thetford Fire Department answered 39 alarms during 1975 with a breakdown as follows:

10 Chimney fires	Mutual aid calls
3 Structural fires	1 Strafford
2 Vehicles	2 Lyme
4 Electric	2 West Fairlee
1 Mattress	1 call to Fairlee - train wreck
5 Grass and woods	1 call to Bradford - major structural
1 smoke investigation	6 Auto accidents - no fire

We had 7 Special Service calls. These are services such as flushing culverts or filling water storage tanks, etc.

Total fire fighting man hours 684. Training -- 12 regular drills; 4 mutual aid drills; 3 extra drills.

Total hours spent training	550
Maintenance	190
Combined total man hours	1424

These hours do not include the time involved in fund raising which are many.

The total hours compiled represent the devotion and contributions of 25 active men and 9 part time men. The number of calls this year are considerably higher than any previous year, but over all property damage was much lower than 1974. Town growth and the energy crisis are the reasons for the increase in calls which probably will remain a problem during 1976. The decrease in property damage is attributed to the size and nature of these fires but other factors such as better information and directions by the people making these emergency calls have helped us greatly. I ask that any and all people making emergency calls to Hanover dispatch give the best directions possible and a good description of your problem. It is the only way to get fast efficient service.

Upper Valley Regional Emergency Services Mutual Aid System

The year 1975 has been a big one for the mutual aid system and has proven beyond any doubt that this system is a priceless asset to any and all towns involved. The two major emergencies that literally put this system on the map occurred in Fairlee and Bradford but they very well could have occurred in Thetford. The assets of being a member of this organization are tremendous as it gives in time of need access to almost unlimited equipment and man power without hesitation. The Thetford Fire Department has been a member of this organization since it started and we are proud of the role we have played and as Chief of this department I will continually work with all member Chiefs of this organization to insure the best possible coverage to the Town of Thetford and all our neighboring towns.

The Thetford Fire Department has 100% mutual aid with Strafford and Lyme and they have helped us greatly this past year. We also have a limited mutual aid agreement with West Fairlee which should prove to be quite beneficial in the coming years.

As Chief of the Thetford Fire Department I feel that my firefighters have done a great job this past year devoting many hours to both firefighting and training and have shown professional qualities during emergency situations. We of the Fire Department ask nothing for ourselves but we do ask that you the people of the Town of Thetford help us obtain the equipment we need to give you the best possible coverage.

Respectfully submitted,
Roland E. Clark, Fire Chief

**1975 REPORT OF THE
THETFORD F.A.S.T. SQUAD**

The thirteen member F.A.S.T. squad has rendered first aid to more than thirty-six persons, involved in twenty-nine emergency situations during 1975.

We have purchased some much needed emergency equipment, thanks to the Thetford Lions Club. They earned over \$900.00 for the squad to purchase new equipment, and perhaps we will be able to put some into a fund toward a rescue vehicle, not an ambulance as some persons have heard.

Our own fund raising effort has brought in over \$1,600.00. We wish to thank all our Thetford friends for their generosity.

Our training program continues, as it must, to keep our personnel qualified. We plan eventually to have all our members qualified as "Emergency Medical Technicians". Presently, we are conducting the American Red Cross course in "Advanced First Aid and Emergency Care". Two members of the Strafford squad are also attending.

All the area F.A.S.T. squads are working together to form a mutual aid system so we will be well prepared for any emergency, working together as efficiently as possible.

You may receive our services free of charge, by calling the emergency telephone number 643-3610 or 353-4347, or by calling your favorite F.A.S.T. squad member listed below.

Karl C. Tilden, Jr., Keeper of the Log

AMBULANCE SERVICE

The Town of Hanover ambulance service responded to 486 calls in 1975. This is a decrease of 13% from the 557 calls in 1974 and is the first decrease in ambulance usage since the service has been operated by the Town of Hanover.

Under the terms of the contract with the Town of Hanover, each participating town is charged a subsidy, called a Community Contribution, based on the population as determined by the 1970 census. The population figure for Thetford is 1422. The contract also provides that the Town of Thetford will immediately pay all user fees of Thetford residents or nonresidents serviced in Thetford, if the user fee remains unpaid four months after the service was rendered.

In 1975, 31 ambulance calls were allocated to Thetford. This compares with 43 calls in 1974 and 35 calls in 1973. It is estimated that 25% of these calls are for non-residents of the service area. It is impossible to estimate how many of these ambulance calls are true emergencies and how many are non-emergency transfers because the service considers all requests to be emergencies unless the request for service is made 24 hours in advance.

In 1975, the Town of Thetford paid the Town of Hanover \$3,341.70 as a community contribution and \$512. unpaid user fees to September first. The Town may be liable for some of the unpaid user fees for the nine ambulance calls during the last four months of 1975. Some of these unpaid user fees may be recoverable by the Town when insurance settlements are made.

The Hanover Selectmen have decided that the Ambulance Service shall be self supporting and for 1976 shall contribute \$60,600. towards the salaries of Hanover Town Employees. The total budget is tentatively set at \$85,000 and they expect community contributions to yield \$47,000. If all the present eleven participating towns elect to continue their subsidy, the community contribution for Thetford for 1976 will be \$3,697.20 ($1422 \times \$2.60 = \$3,697.20$). If any of the present towns discontinue their subsidy, the community contributions will be refuged to yield the \$47,000.

Minimum user fee for 1976 has been set at \$58. plus \$1. per mile to the center of the town where the service is rendered. Non-residents of the service area are assessed an additional \$25. and there are additional charges for oxygen or other medications. The mileage fee for service to Thetford is \$16.

If Thetford elects to continue as a participating community, a Thetford resident using the ambulance service would be charged a minimum user fee of \$58. if the service was in Hanover, \$74. if the pickup was in Thetford and over \$100. if the pickup were in Bradford or Piermont. A non-resident of the service area using the ambulance service from Thetford would be charged a minimum user fee of \$99. These charges are in addition to the approximate \$100. per run subsidy already paid by the Town taxpayers. And the Town would guarantee all unpaid user fees.

If Thetford elects to continue as a participating community, it would seem prudent to budget at least \$5,000 for ambulance service for 1976. On the basis of the estimated grand list, this would add approximately five cents to the tax rate.

FIRE WARDEN'S REPORT

December 31, 1975

50 permits were issued.

2 brush fires caused by unauthorized burning.

Whenever there is NO snow on the site you NEED a permit to burn.

Arthur J. Bacon
Fire Warden

REPORT OF THE BOARD OF EDUCATION AND ADMINISTRATION

We are well into another successful school year. Our enrollment has grown to 228 which is a slight increase over the number at this time last year. Our high school population has also increased and presently stands at 182. The bond vote approving the school addition will be a great help in accommodating our students and improving our program.

We have one new teacher, Mr. William Lingelbach, who teaches a combination 5-6th grade. He joins Mr. Robert Johnston, Principal; Mrs. Peg Joiner, Kindergarten; Mrs. Laura DeGoosh, 1st; Mrs. Diane Levy, 1-2; Mrs. Patricia Rogers, 2nd; Mrs. Bonnie Irwin, 2-3; Miss Ann Swanson, 3rd; Mrs. Rosemary Redmond, 4th; Mrs. Helen Magoon, 5-6 and Mrs. Eileen Curran-Kondrad, 5-6 to complete an exceptionally fine staff.

Work has been completed on our reading, science and health curriculum and implementation has begun. A new test, The Prescriptive Reading Inventory (PRI) is also being used to analyze reading skills and help teachers meet individual student needs. We continue to participate in the Remedial Reading and other programs of the Orange East Supervisory Union. The staff and administration will continue working to help make every child's school experience a successful one.

As you can see from your report, we are faced with a need for substantially increased revenues. Several factors contribute to this situation. The Equalized Fair Market which is used to compute State Aid to Education was increased by 46.7%. This reduces the amount of State Aid we can anticipate for the 1976-77 school year by 56.5%. We received \$73,555 for 1975-76 and can anticipate only \$31,983 for 1976-77. The town has begun appeal procedures as provided by law and hopes to reverse this assessment. The School Board has also decided to join VT. IDEA, Income Design for Education Aid. This organization is working to change the way state aid is distributed. You can help in this effort by writing to your representatives, Thomas Bonnett and Robert O'Brien. Tell them how you feel about this loss of state aid and urge them to support our appeal and to work toward adoption of a new and more equitable method for distribution of state aid to education.

The budget increase is essentially in areas of Instruction, Tuition, and Building Construction. Although the Instructional area of the budget shows an increase of some \$19,000, last year's budget included only nine classroom teachers. It was hoped at that time that Federal funding for the tenth teacher would be continued for the 1975-76 school year as was the case in 1974-75. Unfortunately, these funds were not available, and it was necessary for us to assume this additional cost. The actual increase in this series therefore is about \$7,000 and is primarily due to anticipated salary increases and a continuation of the music program which began last year. The exact amount of salary increases for this year is not known at this time as negotiations are still in progress. There is no increase of personnel and only a minimal increase in instructional supplies.

Building costs have increased in anticipation of completion of the new addition and to absorb rising costs in such areas as fuel and electricity.

A major area of increase is in Debt Service. This rise of about \$35,000 reflects the first year bond and interest payment for the addition to the building. This amount will be reduced by about \$7,200 in State Aid for bonded indebtedness.

Another area of increase is that of tuition payments. An increase of \$115 per pupil in the tuition rate at Thetford Academy coupled with a large entering class from this year's sixth grade necessitates a tuition budget of nearly \$250,000, an increase of some \$44,000.

As you can see, the areas of increase are basically uncontrollable and, like your own budget, are subject to the ravages of inflation. Your School Board has worked extremely hard to keep costs down and to use the money you have provided as efficiently as possible.

This request has been reduced in every possible area, and we request your support.

REPORT OF THE PRINCIPAL OF THETFORD ACADEMY

Thetford Academy began the school year with an enrollment as follows: Grade 12, 55; Grade 11, 56; Grade 10, 51; Grade 9, 63; Grade 8, 58; Grade 7, 36; total enrollment, 319.

The faculty this year consists of twenty-one full-time teachers, one principal, one full-time guidance counsellor, one full-time librarian and one part-time nurse.

An honors English-history course has been added to our curriculum. In addition to the study of philosophy from the Greeks to modern day philosophers, a highlight of the course will be a trip to Europe for two weeks. Students are engaged in various fund raising activities to help cover the cost of the trip. This should be a very valuable experience for the students and for the school as a whole.

Our art, business and music programs and the enrollment in industrial arts has increased considerably, mainly because of Fred Tefft, the instructor, who has a great knack for meeting individual needs. The continued growth of these programs and the addition of class sections in other curriculum areas makes completion of the new addition imperative. Detailed plans are near completion and support of the alumni and friends of the Academy will be sought in the near future.

Some random highlights since last March:

1. Our soccer team won the southern Central Vermont League championship and was not defeated until the quarter final of state championship play.

2. The girls' field hockey team were runners-up in the state Class M field hockey championship.

3. The girls' cross country team won the state Class M championship.

4. The music department presented another Broadway musical Guys and Dolls.

5. The baseball team and the softball teams both made it to the state quarter finals.

6. The girls' basketball team made the play-offs for the first time.

7. Dale Ricker was named Star District Farmer.

8. Several members of the Future Business Club and Mr. Franzoni, the state advisor, attended the national convention in Miami.

In closing I would like to thank the trustees and others for their continued support and to urge anyone, parent or not, to call the school when they have questions or problems or whenever they have any comments to make. Should anyone desire to visit the school it can be arranged through the office.

Respectfully submitted,

Ruel G. Barrett, Principal

SPECIAL TOWN SCHOOL DISTRICT MEETING MINUTES

November 19, 1975 at 10:00 A. M. Constable William E. Phelps declared the ballot box open to vote on the school bond issue. Lister Arthur J. Bacon relieved the Constable for two hours in mid-afternoon. At 7:00 P. M. Constable William E. Phelps declared the ballot box closed. There were nine hundred forty six (946) names on the checklist. Five Hundred Forty Seven cast their vote. There were 14 absentees, 1 spoiled and one blank ballot. Three Hundred Seventeen were in favor of the Bond and Two Hundred Twenty-Eight opposed the Bond.

Respectfully submitted,
Emily E. Hood, Town Clerk

SCHOOL BOND VOTE

Nov. 19, 1975

Shall bonds of the Town School District in an amount not to exceed Three Hundred Sixty Thousand Dollars (\$360,000.00) be issued to defray the district's share of the cost of construction and equipping an addition to the present elementary school at Thetford Hill of masonry construction to provide the equivalent of five classroom spaces, together with auxiliary administrative rooms, spaces, services and facilities and to fund the acquisition of twelve acres of land, more or less, authorized by voters at the March 4, 1974 Thetford Town School District Meeting, all as aforesaid?

NO	228	YES	317
----	-----	-----	-----

MINUTES OF THE
ANNUAL TOWN & SCHOOL DISTRICT MEETING
March 3, 1975

On Monday, March 3, 1975 at 7:30 P. M. Moderator Matthew I. Wiencke called the Annual Town Meeting to order.

The local Scout groups, Cub pack No. 1, Boy Scout Troop No. 711, Brownies No. 405, Jr. Girl Scouts No. 535 and Cadets No. 144 conducted a presentation of their colors.

Rev. Hector Sullivan led those attending in prayer.

Mr. William Slade revealed the W. G. Colton bronze plaque and spoke of "Bus" dedicated service to the town. Doris Colton expressed her thanks for the memorial to her husband.

Article 1. The Reports of the Town Officers were accepted as printed.

Article 2. Chairman of the Board, George A. Phelps explained the deficit and listed the recommendations for the Revenue Sharing Funds. Expression came from the floor that each item recommended in the Federal Revenue Sharing Account should be voted upon separately. It was decided to bring the Federal Revenue Sharing Fund monies up under Article 16. It was voted by voice vote to raise \$25,000.00 for the Highway Fund and \$123,265.00 for the General Fund with all taxes payable on or before October 24, 1975 with interest of 1% per month thereafter.

Article 3. Dr. Barbara Gilbert spoke for Community Health Services, Inc. An amendment to raise only \$1,500.00 was lost and the original article for \$3,128.00 was carried by voice vote.

Article 4. David Rutherford, Director for Orange County Mental Health Services, Inc. spoke on the increased and expanding services, yet they were not raising their per registered voter request for a total of \$1,425. The article was carried by a voice vote.

Article 5. After some discussion it was voted to pass over this article due to the fact the law requiring this insurance may be changed and by having the insurance there could be other complications.

Article 6. It was voted to stay out of the Municipal Employee Retirement System. Only two employees are eligible and the State has not funded their part of the plan.

Article 7. The motion was made to amend the article from "contract" to "Negotiate". The amended article carried with a voice vote.

Article 8. Paul Lilienthal spoke for the Volunteer Fire Dept., listing reasons as to why they felt the need for the hose reel pumper and additional hose. The Fire Dept. had on display a sample of the hose they were discussing and circulated photographs of the vehicle. The voice vote was uncertain thus a call for paper balloting was made. Results Yes 125 No 142 with 2 spoiled and 2 missing ballots.

Moderator Matthew I. Wiencke called for a recess. Refreshments were on sale. Following the break the Moderator reconvened the meeting. Thomas Bonnett, District Representative, circulated a questionnaire he'd like completed and placed in a box at the back of the room. He briefly gave a run down on some of the major pending bills.

Virginia Babcock expressed the Board of Selectmen's thanks to retiring George A. Phelps for the many years and long hours of dedicated service he had given the Board and the Town.

Robert Atkins asked for a rising vote of thanks to Carl Anderson in appreciation of his many years of service to the town. Mr. Anderson was at home ill with the flu.

Article 9. Some voters had not read the Sub-Division Regulations, thus requested that action on the article be postponed. The motion to table the article lost and then the article carried by voice vote.

Article 10. There was some discussion as some organizations felt that since they were already providing benefits to the town their hands shouldn't be tied if they felt it necessary to disband. The article passed with a voice vote.

Article 11. The motion was made to amend the article to delete "either" and "or in part". The amended article was carried by a voice vote.

Article 12. There was no discussion on the article and it passed with a voice vote.

Article 13. There being no discussion on the article it was passed with a voice vote.

Article 14. The motion was made to vote on each of the Federal Revenue Sharing Fund items separately. Motion was tabled when brought to the attention of the Moderator that there was a possibility the School Meeting would not be legal, if not begun on the day it was warned for.

The Town Meeting was recessed and the Moderator called the School Meeting to order at 11:58 P. M.

Article 1. The Reports of the School Officers were accepted as printed.

Article 2. Frank Barker, Jr. presented the School Budget. The motion was made to raise \$326,108.50 for the School, less any increase or plus any decrease in the anticipated State Aid, with all taxes so raised payable on or before October 24, 1975, with interest of 1% per month thereafter. This was carried with a voice vote.

Article 3. It was voted by voice vote not to participate in the Municipal Employees Retirement System.

Article 4. There being no other business the School Meeting adjourned at 12:20 A. M. until 10:00 A. M. for the balloting of School Officers at the Town Hall.

The Town Meeting was resumed at 12:21 A. M. Tuesday.

Article 15. The motion was again brought to the floor to vote on each Federal Revenue Sharing Fund item separately. The voice vote was uncertain so the Moderator called for a show of hands. Yes 52 No 66

The motion was then made that the Selectmen seek another use for the \$6,500.00 allocated for communications. This motion was defeated. The motion was made to accept the Federal Revenue Sharing Fund allocations as printed. This passed with a voice vote.

Article 16. Daniel Grossman concerned over the possible impact of the proposed pulp mill just across the river in N. H., made the following resolution:

WHEREAS: There are conflicting facts and information available concerning the proposed pulp mill in N. H.

WHEREAS: Construction of a pulp mill may result in a significant change in the quality of life and environment of the residents of the Town of Thetford:

WHEREAS: The tax burden of the Town may be increased drastically if the proposed mill and its expected demand for associated services is built in a nearby N. H. town.

BE IT RESOLVED: That the Thetford Planning Commission be instructed to study the impact of this proposed mill: and

BE IT RESOLVED: That the Town of Thetford wishes to have input in the decision making process of where the mill is located.

The Moderator felt it to be proper that instead of "Be It Resolved" that the resolution should read "It is the sense of the meeting" This change was approved and the resolution passed.

The Town Meeting adjourned at 1:00 A. M. until 10:00 A. M. for the balloting by Australian Ballot for the Town Officers, at the Town Hall.

Respectfully submitted,

Emily E. Hood, Town Clerk

HOSPITAL SUPPLIES AVAILABLE

Thetford Post No. 79, the American Legion, has the following hospital equipment available for use by anyone who needs it:

5 hospital beds
2 mattresses
1 mattress pad
4 wheelchairs
3 walkers

7 pair crutches
2 canes
1 commode (potty chair)
1 rubber doughnut

There is no charge for the use of any of this equipment. Townspeople are simply asked to return the equipment as soon as they can and to keep it in good condition.

To obtain the loan of any item, contact Loren Bacon, Robert Bacon, Arthur Bacon, George Davenport, or Edward LaMontagne.

TREE WARDENS REPORT

If anyone is interested in a beautification program such as plantings of trees, shrubs and/or flowers on state owned land, the State Highway Department has indicated a willingness to provide ground improvements and to pay for the materials. The sponsoring group would be expected to undertake the planting program and provide for the maintenance necessary to assure an attractive appearance at all times. Providing any individual or group of individuals is interested in such a project, please contact me for further information.

Many potentially hazardous trees located along and within the right of way of town roads could become available for firewood to help supplement the fuel needs of individuals in the town of Thetford. If anyone is interested in obtaining firewood by cutting trees along town rights of way, please feel free to contact me for advice.

Respectfully submitted,
Elmer C. Brown, Tree Warden

CEMETERY COMMISSIONERS REPORT

We report that the total expenses paid out in 1975 was \$642.50 for work done in the town cemeteries.

Work which was completed was spring clean-up and general care such as mowings and trimmings.

Also some repair work was done on a few of the stones that were down or cracked.

Blue prints of Sawnee Bean and Rice's Mills Cemeteries are in the process of being drawn.

Respectfully submitted,
Cemetery Commissioners
Wesley Clay
Edward F. Clay
John Wilmot

ORANGE COUNTY MENTAL HEALTH SERVICE, INC.

5 Maple Street - Randolph, Vermont 05060

Telephone 728-3230

David E. Rutherford, Executive Director

The following is our report to the Town of Thetford concerning mental health services to individuals from the Town of Thetford from 1/1/75 through 11/15/75.

Number of individuals served	28
Dollars spent in delivery of service	\$8,115.00
Dollars received from patient and third-party fees (i.e., Blue Shield, Medicare, Medicaid)	993.00
Amount of town support	1,425.00
Amount of discounted services	5,697.00

<u>Types of Problems</u>	<u>Number of People Seen with These Problems</u>
Parent-Child	4
Depression	4
Marital	6
Individual Personality Disorder	2
Speech	5
Mental Retardation	3
Adolescent Adjustment	1
Adjustment to Old Age	1
Alcohol	1
Adjustment to Adult Life	1

The above figures indicate numbers of people seen, plus the cost of services rendered to them. You will note that the amount received from the patient or third-party payer plus the amount of town support does not equal the actual cost of service delivery. This "discounted" amount must be made up from sources other than the patient or local community. Local funds from towns are used as matching funds to obtain revenues from state and federal sources.

We are requesting that Thetford assess each registered voter \$1.50 to offset the cost of services to the residents of Thetford. This assessment formula has been in effect for the last four years and is being requested of all towns in our catchment area. Keeping the \$1.50 figure stable for four consecutive years is reflective of our efforts to control costs, maximize other funding sources, and keep our request to local taxpayers low. For Thetford, this formula results in the following request for 1976 — 946 registered voters x \$1.50 = \$1,419.00.

Sincerely yours,

Donald Dustin, President
Board of Trustees, OCMHS
David Rutherford, MSSW
Director, OCMHS

AUDITORS' NOTE: The amount shown here represents only the Town's cost. An additional amount is also included in the School Budget.

COMMUNITY HEALTH SERVICES, INC.

Annual Report for 1975

The Town of Thetford provided \$3,128.00 in support of Community Health Services, Inc. in 1975. Despite inflation, we will provide similar service in 1976 at the same level of support \$3,128.00 or \$2.20 per capita.

This support accomplishes three major objectives:

1. It assures that skilled nursing care, physical therapy and home health aide services are available in your town for all who need such care through a certified home health agency. This means that the value of insurance under social security and virtually all other health insurance plans is substantially increased since these policies pay for home health care only through certified agencies.

2. Maternal and child health services are available, in the home, for mothers and their newborn infants, and in well child clinics held regularly throughout the year. Screening for congenital defects and other illnesses are carried out, as well as appropriate referral and follow-up care. All of the currently recommended immunizations are given to children attending the well child clinics. Maternal counseling is also provided by clinic physicians and nurses.

3. For all individuals over eighteen, health fairs are conducted in several locations in the area served by Community Health Services, Inc. Here individuals are screened for diabetes, glaucoma, high blood pressure, certain types of cancer, and other diseases which can be more effectively treated if detected in their early stages. Referral to physicians is done for all who show signs or symptoms of disease.

We urge all residents to watch and listen for the dates of these fairs and clinics which are published in local papers and announced on radio. Or you may call our office in White River Jct. at 295-7516 or Bradford at 222-4708 to determine the date and place of the next clinic or fair.

During the coming year your representatives on the Community Health Services, Inc. Board of Trustees will continue to assess the policies and procedures of the agency. Improvements and additions to the program will be added whenever possible.

One last word. I hope each of you will be so healthy this year that you won't need the help of Community Health Services, Inc. staff. If you do need us though we will be there.

James Watt, President

UPPER VALLEY-LAKE SUNAPEE COUNCIL REPORT

The Upper Valley-Lake Sunapee Council is the regional planning and development commission for Thetford and 30 other municipalities in Vermont and nearby New Hampshire. It is governed by a Board of Commissioners, two from each member community, and for the past year, Thetford's commissioners, appointed by the Selectmen, have been Vernon Anderson and Roy Lewicki, who replaced David Field last fall.

The Council operates on an annual budget of about \$100,000, of which one-third comes from member town's dues, the rest from the state and federal governments, giving local towns a 2 to 1 return on their investment.

The Council's work program consists of both regional and local projects, with priorities set by the locally-appointed commissioners. Regional programs - recent ones have been in water quality, waste water management, solid waste management and, presently, in public transportation - seek regional answers to problems which individual towns may have problems solving.

Local programs generally consist of providing technical assistance to Planning Commissions or Boards of Selectmen.

In Thetford, the Council worked for most of 1974-75 with the Planning commission to help with a draft Master Plan Report, which, when completed and adopted, will guide the town's growth in the years ahead. The Council also met with the Selectmen several times to help with an application for federal block grants under the new Community Development Act and this application, for \$139,000, was submitted in December. The Council has also helped local officials by maintaining a close liaison with federal and state officials and is thus in a position to assist Thetford in meeting requirements of a variety of new laws, such as Vermont's Shoreland Zoning Act or the Federal Flood Insurance regulations.

Council offices are maintained in Lebanon, New Hampshire, with the staff on call to respond to needs by local officials.

Respectfully submitted,

Roy Lewicki
Vern Anderson

THETFORD ZONING ADMINISTRATOR'S REPORT FOR 1975

The following report from the Zoning Administrator is submitted: Building Permits issued during calendar year 1975 are:

Item	No.	Item	No.
Residences	21	Remodeling	2
Additions to Residences	4	Open Shelter	1
Garages	9	Ag Building	1
Additions to Garages	2	Swimming Pool	1
Camps	1	Chicken House	1
Additions to Camps	1	Add to Bunker Silo	1
Porches	5	Sugar Houses	2
Accessory Buildings	17	Chimneys	2
Storage Sheds	1	Sawmill	1
Barns	6	Add to Post Office	1
Mobile Homes	3		
Greenhouses	3	Small Businesses	
Woodsheds	6	Childs Nursery	1
		Flower Shop	1

The Selectmen approved 13 driveways.

Carroll B. Palmer,
Zoning Administrator

ENVIRONMENTAL OFFICER'S REPORT

In 1975, the Town of Thetford did not officially have a traditional Green Up Day. Since the success of the previous Green Up Days, interest at the state and local levels has diminished. It is this officer's belief that this waning of interest has not hurt the Town of Thetford environmentally since the implementation of the bottle law keeps the roadsides adequately clean. I ask each member of the town to continue their needed efforts to help keep the streams, lakes and roadsides of the town clean so everyone can enjoy the aesthetic beauty of Thetford.

Respectfully yours,
Barry M. Gregory

REPORT OF THE THETFORD PLANNING COMMISSION

In both the Town Reports for the years ending 1973 and 1974, the report of the Thetford Planning Commission has stated that a new Town Plan would be formulated and put before the voters before the end of the year, 1975. It is unfortunate that the Commission has not been able to do this, though at the time that this report is being written, the work on the plan is nearly completion.

The Planning Commission has at times been deeply bogged down in complex questions involving the administration of the subdivision regulations. As most of the townspeople are aware, this is a complicated and unwieldy document. It is 28 pages long and should spell out all procedures and contingencies. The problem arises in the interpretation of this ordinance. The Planning Commission has at times been under a great deal of criticism both from groups who want a lenient interpretation and from groups who want a strict and rigorous interpretation. At the end of the year there was a tendency on the part of the Commission to tighten up a little on the interpretations. The reason for this was that some of the approved minor subdivisions had been sources of later problems and complications. Nevertheless, it is obvious to anyone who has attended the Planning Commission meetings that we have tried to facilitate procedural questions as much as possible for the sake of simple minor subdivisions.

Hopefully, we will not have to continue to spend such an inordinate amount of time and energy working out interpretations and procedures. After endless discussion and numerous letters from our lawyer we have been able to draw up a handout that will accompany the application form. The purpose of this is to try to explain in simple terms what is needed on the part of the subdivider. We believe that this will ultimately speed the whole process up by avoiding some of the misunderstandings we have experienced in the past. The members of the Planning Commission are glad to help answer questions.

The actual Town Plan has been completely drawn up at this point and is awaiting final comment and revision by the Planning Board. The first part of the Plan presents an analysis of growth patterns, economic problems - both present and future, analysis of present land use within the town, and an inventory of community facilities and housing. Obviously all these things are interconnected. Everyone should understand that Thetford's phenomenal growth has and will continue to cause great increases in the town budget. The Plan recommends that future development take place around existing towns. It also recommends broadening the tax base by allowing certain kinds of business and so called "clean industry" (computer processing, research, insurance offices etc.). The outlook for the immediate and future solutions to the problem of the expanding budget in relation to the tax base looks bleak. We would hope that all people in town will become aware of the details of these problems through reading the Town Plan.

The recommendations of the Town Plan do not have any legal bearing in themselves, with the exception that larger subdivisions must conform with the Town Plan and the Town Map. We intend to implement our recommendations specifically

through changes in the zoning regulations. These new zoning proposals will be part of the package that the voters will vote on when we discuss the Town Plan. First of all, there will be new zoning districts where development will be determined by minimum lot size. Village Residential areas will be expanded wherever possible. There will be a new district where the minimum lot size will be five acres. Of course we will also keep our current "Rural Residential" districts where we feel conditions would warrant it. There will be several new zoning districts. This time these districts will all have been created, not by the arbitrary design of the Planning Board, but because of specific soil limitations. We have also taken the wishes of the residents into account. We feel that these new zoning districts will be one of the main methods with which we can allow for the orderly expansions of the Town of Thetford. We use the word "allow" because future growth will depend mostly on factors which are really out of our control, such as the desirability of Thetford as a residential community, the state of the economy, mortgage money available, the development of future job markets, etc.

The Planning Commission is in favor of 'cluster zoning' and we will propose that the Zoning Ordinance be changed to allow for that kind of development. Such development will have the exact same residence to acreage ratio that a single family residence would have, but with the advantage to the town that town services would be easier to provide for a compact group of houses than for a group of houses that would be spread out. Also, we feel that, aesthetically, the final results would be much more pleasing, in that large open spaces would be retained.

There are other parts of the Zoning Ordinance with which we have been unhappy. Some parts can be simplified. Some parts do not deal with certain kinds of usage. Some requirements are not necessary. We feel on the whole that the new ordinance, if accepted by the voters, will be much better. It will allow people to do certain things which they could not do before, while adding increased protection for abutting landowners.

Thetford is by far the fastest growing town in the Upper Valley. Our new Town Plan predicts 630 more homes in Thetford in the next 25 years. It doesn't take much imagination to see the tremendous problems that lie ahead for us as a town. We do not want to be saddled with the same high tax rate as our neighboring town of Norwich, yet we are already developing along some of those exact same lines. It's a big problem. We feel that the new Town Plan and the proposed revisions in the Zoning Ordinance are the best we can do for the present in attempting to deal with these problems. We invite your participation in this discussion.

Respectfully submitted,

John Stephens
Chairman, Thetford Planning Commission

REPORT OF THE STATE REPRESENTATIVE

January 10, 1976

Dear Neighbors,

I'd like to take this opportunity to briefly explain some of my major concerns:

1) STATE AID. I am sponsoring a new formula to distribute state aid to education modeled after the recommendations of the Governor's Panel on State Aid. This proposal will employ the income of residents and the non-local property ratio to define the wealth of a school district rather than using the local property wealth (as the present Miller formula does). It is commonly accepted that property value is not an accurate measure of a community's ability to pay, particularly when an area has been subjected to high market demand (as ours has recently.)

2) ENERGY. The recommendations of an expert report outlining methods by which wood can be better utilized to fulfill many of our energy needs are being implemented. Thanks to the efforts of Sen. Robert O'Brien, the Senate Energy Com. is considering an improved version of a bill establishing a planning agency to coordinate future energy development by private utilities. And I am pushing my bill, H. 327, which requires that lobbying, publicity, and advertising expenses of a private utility be deducted from the stockholder's dividend rather than out of the rate base. I have received a lot of support for this bill and hope it will be passed before Town Meeting time.

3) TAXES. Depending upon whom you believe, Vermont either has a slight financial problem or a severe crisis. The yet-to-be-determined answer rests upon how quickly and strongly the national economy picks up. Regardless, however, of the eventual resolution of this situation, I feel that the recent serious re-evaluation of state government, its activities, and its organizational structure is healthy and much needed. Bureaucracies tend to grow as if they had a life of their own; programs frequently fail to achieve their initial purpose, and so forth. The present climate of close scrutiny of all state expenditures will, I think, result in better understanding of Vermont Government by the public and the lawmakers themselves and hopefully result in a wiser use of our tax dollars.

I am also sponsoring legislation to allow Fast Squad members to receive workmen's compensation and remain protected from malpractice liability, to redefine the corporal punishment provision in compliance with the recent Supreme Court decision, to require State reimbursement to towns for taxes lost from scout camp properties, and others.

I hope people with questions have either been able to see me at my local "office hours" or have called my home (785-2652). Please contact me if you have a problem, a question, or an opinion about state government.

Sincerely,

Thomas W. Bonnett
Your State Representative

REPORT OF THE BOARD OF LISTERS

December 31, 1975

Total taxable real estate	\$11,711,512.00
Total taxable personal property	199,793.00
Total taxable real and personal property	<u>\$11,911,305.00</u>
One percent of the listed value	119,113.05
Total listed valuation of taxable polls at \$1.00 each	<u>944.00</u>
Total Grand List Tax basis	\$ 120,057.05

These are all listed values which by law are 50% of Fair Market Value.

The following are Poll Tax Exemptions:

Disabled Veterans, Wives and Widows	20
Citizens over 65 years of age	218
Poor	7
Military Servicemen and wives	<u>20</u>
Total exemptions, polls	265

The following are real estate exemptions:

Veterans (50% or more disability) Statutory (6)	\$18,000.00
---	-------------

Taxes stabilized by vote of the town at the 1975 town meeting:

Rices Mills Community Association stabilized for 5 years at \$30.00. Thetford Center Community Association stabilized for 4 years at \$50.00. Ladies Benefit Society of Post Mills stabilized at 50%. At the 1974 town meeting Eclipse Grange was stabilized for 5 years at \$150.00.

For the last two years we've asked people to fill out poll cards in March. We've had a very good response and we will do it again this year.

There were 107 property transfers in 1975 compared to 113 in 1974.

In September Janice Mousley resigned from the Board of Listers and Melba Briggs was appointed by the selectmen to take her place until town meeting in March 1976.

Because the Property Tax Division funds have been cut, as of 1976 all Listers supplies, such as poll cards, grand list book, etc. have to be purchased by the town.

The following are areas the town loses money on taxes:

Union Village Dam 1248.75 acres	
Estimated fair market value	\$422,500.00
Taxes should be (1975)	8,513.38
They actually pay	<u>2,084.70</u>
Estimated tax loss to the town	\$ 6,428.68
State Forest 262 acres state forest, 1 acre fish and game	
Estimated fair market value	100,500.00
By statute they are listed at \$4.00 per acre value	
Estimated taxes should be (1975)	2,025.00
They actually pay	<u>42.38</u>
Estimated tax loss to town	\$ 1,982.62

Camp Farnsworth	420 acres	
Estimated fair market value		\$ 390,000.00
Estimated taxes should be		7,858.50
They are exempt by law from paying taxes.		
Total estimated tax loss to the town		\$ 16,269.80

Board of Listers

Arthur J. Bacon
George Davenport
Melba J. Briggs

AUDITOR'S REPORT

In accordance with 24 V.S.A. sections 1681, we have examined the accounts and records of the various Town Officers, and to the best of our knowledge, the statements of receipts and disbursements are correct and represent the financial position of the town on December 31, 1975.

We wish to thank the Town Clerk for her cooperation in supplying all the requested information and records for our examination.

We welcome all comments and suggestions.

Robert J. Crossett
Roberta C. Howard
Richard D. Lucy
Auditors

1974 TOWN REPORT WINS FIRST PLACE

For the second year in a row the Thetford Town Report was awarded first place in Class IV of the James P. Taylor Memorial Town Report Contest. This was in competition with all towns in Vermont and presented at the October annual meeting of the League of Cities and Towns Fair. The class is determined according to the population of the town. The plaques are hung in the Selectmen's Office.

RECREATION BOARD REPORT

The attendance at Treasure Island substantially increased this past year. This was due to both resident and non resident fees. As last year, the swimming lessons were given to children as well as adults. It has been noted by the life guards that the swimming ability of the children in Thetford has increased substantially.

Cleaning the undergrowth and removing the dead trees was still emphasized. Developing the Island area was done also with electricity being added to the recreational facility.

The Mothers Club donated a play fence for the children which was placed near the tennis courts.

Many organizations continue to utilize Treasure Island. They include numerous outside groups, Boy Scouts, church organizations, school groups, et cetera.

TOWN OF THETFORD CLASS IV ROAD POLICY AND SPECIFICATIONS

(for upgrading Class IV road to Class III road)

Definition of Class IV Road: A town road or right-of-way that has not been maintained or kept passable year round for the past five years by the town.

A Property owner who wishes to build and live year-round on a Class IV road will have to maintain and plow this road at his own expense under the supervision and guidance of the town selectmen so as not to deteriorate the condition of the present road.

A property owner or developer wishing to have a Class IV road brought up to Class III road standards will be done according to the specifications given herein.

If any land owner wishes to use Class IV roads for logging and such purposes, they will follow Vermont State Statutes and Customary practices under the supervision of the Selectmen.

Class IV Road Upgraded to Class III Road Specifications

Item	Description
1. Notification -	The select people shall be notified in writing 14 days in advance of construction. The select people shall inspect the road way after Item 3, after Item 4 and after completion of the road.
2. Right-of-way-	The center line of the road shall be built in the center of the existing right-of-way.
3. Clearing, Grubbing and Stripping -	The entire construction area shall be cleared of all trees, stumps, brush, roots and boulders. All unsuitable material shall be removed.
4. Grading -	Cuts and fills shall be made where deemed necessary.
5. Drainage -	Drainage culverts and ditches shall be constructed where required.
6. Surface -	The roadbed shall have a minimum of 12 inches of compacted gravel and be constructed according to the typical given.
7. Stabilization-	Stabilization shall be done by seeding, mulching or other means which are deemed necessary.
8. Approaches -	The approach to existing roadways shall be made to facilitate ease of topping, turning and have proper visibility.
9. Turn Around-	If the road is dead-ended there shall be provided a turn around to facilitate snow plowing and other large vehicles.
10. Driveways -	Driveways abutting the roadway shall be constructed at an angle of 90 degrees and a culvert of a minimum of 15 inch diameter shall be installed if necessary.
11. Acceptance -	The roadway will be conditionally added to the towns class III highway system for a period of one year provided all recommendations from the select people are met. During this period the road way will be privately maintained and repaired.

DOG ORDINANCE

Pursuant to the provisions of Title 20 section 3549 of Vermont Statutes Annotated as amended, it is hereby ordained by the board of selectmen of the Town of Thetford, that the following dog ordinance be adopted:

Section 1. DEFINITIONS

As used in this ordinance the following terms shall have the respective meanings:

- a. Dogs: shall include male and female of the canine species.
- b. Owner: shall include any person or persons, firm, association, or corporation owning, keeping, or harboring a dog.
- c. Pound Keeper: shall mean any person designated by the selectmen or elected by the town to serve as authorized dog agent.
- d. Officer: shall mean any police officer, game warden, sheriff, constable or the town pound keeper.

Section 2. RUNNING AT LARGE

All dogs within the Town of Thetford shall be restrained from running at large. A dog shall be deemed to be restrained from running at large when it is kept within an enclosure on the property of its owner or keeper, or is kept on a leash, or is under the immediate control of a competent and responsible attendant. Hunting dogs in training and/or pursuing legal game and under reasonable control of its owner or keeper shall not come under the provisions of this ordinance.

Section 3. DISTURBANCE BY NOISE

It shall be unlawful for any person owning or possessing a dog to permit it to disturb the quiet of any person by habitually barking or howling. This section may be acted upon by the selectmen upon notification in writing by 3 or more legal voters of the town.

Section 4. LICENSE REQUIRED

It shall be the duty of every owner of any dog over 4 months of age, within the town, to procure a license therefor in accordance with Title 20, sections 3581-3592 of the Vermont Statutes Annotated, as amended.

Section 5. IMPOUNDING

Any dog found running at large within the town may be taken up by an officer and impounded. Notice of such impoundment shall be promptly given to the owner if such can be determined. If the owner of a dog is unknown, a notice of such impoundment shall be posted in the town hall.

Section 6. REDEMPTION

An owner may reclaim his impounded dog upon payment to the poundkeeper of the following fees: Impoundment fee of \$10 first offense, \$15 second offense, and upon the third or any subsequent impoundments of the same dog within a six month period, the fee shall be \$20, and in all cases for the care and maintenance of the impounded dog at the rate of \$3 per day.

Section 7. DISPOSITION OF UNCLAIMED DOGS

It shall be the duty of the pound keeper to keep all dogs so impounded for a period of ten (10) days. Any dog not reclaimed within the ten days may be destroyed.

Section 8. CRUELTY

Any person who shall torture, torment, or cruelly neglect to provide with necessary sustenance or shelter, or shall cruelly beat or needlessly mutilate or kill or cause or procure to be tortured, tormented or deprived of necessary sustenance or to be cruelly beaten or needlessly mutilate or killed as aforesaid any dog, shall be guilty of violating this ordinance.

Section 9. PENALTIES

The failure of the owner or keeper of a dog to comply with any section of this ordinance may subject the owner or keeper to a fine of up to \$100 and/or disposal of dog.

George P. Stowell, Virginia S. Babcock,
Richard Hauger,

Board of Selectmen, Town of Thetford, Vt.

Dated at Thetford, County of Orange, State of Vermont this 26th day of May, 1975.
Effective July 25, 1975.

LATHAM MEMORIAL LIBRARY, INC.

The Latham Memorial Library now located in its new facilities in the Thetford Library - Historical Building on Thetford Hill, is a town-oriented library with six Trustees appointed by the First Congregational Church in Thetford and five Trustees elected by the Town of Thetford. It seeks to serve everyone in town who wishes to use its facilities.

Melitta Hammond, who served as Librarian for over 15 years resigned in June. Her contribution in adding to the foundation of a good library system and establishing a notable collection of books, is recognized and greatly appreciated.

In July the Trustees appointed Elizabeth Champe to serve as Librarian on an Interim basis. She is responsible for organizing the new library facilities and setting up services for both adults and children. The Trustees invite all Thetford residents to come visit and use the library in its new location.

Some of the benefits the library users are enjoying in the new location are — greater display of books and magazines, better lighting, additional chairs and tables, a handsome reading room and plumbing facilities.

The cataloging of the adult books is progressing. The children's books are being cataloged by volunteers from the Mothers Club.

The Elementary School children numbering about two hundred in grades one through six are coming into the library with greater frequency. A Story Hour for Pre-School Children was initiated in October. It is held Wednesday mornings at ten and is open to all Thetford pre-school children.

Many fine books have been given to the library this year. Mrs. Herbert Traut and Mrs. Stephen Francisco have been most generous. Two hundred and seventy seven books were given as gifts including the thirty volume Encyclopaedia Britannica, 15th Edition. Eighty books were purchased. Four hundred books were borrowed from two Vermont State Regional Libraries. Circulation of books experienced a 24% increase over the previous year. Books circulated were 4213, including 1268 to the Elementary School children.

The Town School District gave \$300.00 for elementary school operations and we received \$450.00 from the Thetford Library Federation, of the Federal Revenue Sharing Fund.

Many individuals and families have supported the library by giving of their time, thought and money. This has helped the library to add to the community's educational and recreational enjoyment. To the Chairman of the Board and Trustees of the Latham Memorial Library, the officers of the Thetford Library Federation, the students and teachers of the Thetford Academy, the principal, teachers and pupils of the Elementary School, the Mother's Club, and Town Officers, we owe our appreciation.

There is a growing interest in having the library open more frequently than the present Monday evening — Thursday afternoon schedule. The plan is to extend the hours after a number of maintenance and other problems characteristic of a new building are worked out.

Come visit and use the Latham Memorial Library.

COPYING SERVICES

Roneo

Now you can purchase a stencil from the Town Clerk's Office for .20¢. Type up your information on it and we'll make as many prints as you need for .3¢ a copy. Min. total accepted, including stencil, will be .50¢.

FOR TOWN ORGANIZATIONS the fee schedule for copies will be:

- .3¢ ea. for first 500 copies
- .2¢ ea. for 501 to 1000 copies
- .1¢ ea. for 1001 or more copies

Xerox

.20¢ a copy.

ADDRESSING SERVICES

We have a complete listing of all the tax payers, property owners, and residents as of April 1st. You may have your bulletins addressed for a fee of \$5.00.

THETFORD LIBRARY FEDERATION

The Thetford Bicentennial Building was completed and accepted by the Federation on July 28, 1975, approximately one year from the time ground was broken. At the time of the Bicentennial Flag Raising on August 23, 1975 the building, although unfurnished, was open to the public.

The old Latham Library Building was sold October 8, 1975. Thetford Academy students transferred the books to temporary shelves in the new building and regular hours were continued the next week with a much increased schedule for the Elementary School pupils.

The Historical Library and Archives Rooms are now housing some of our most valuable books and papers but it will take a number of years and much work before it can be completely organized and cataloged. In the meantime, beginning this summer, it will be open to the public for reference and on a limited basis to receive Town and Family records.

The Building Committee feel well pleased with the building in every way, fortunate in having Fleck and Lewis as architects and Trahan Construction Co. of Littleton as contractors.

To date, the Library Federation has made its chief contribution by handling the financing of the Library-Historical Building. But we hope its largest contribution in the end will come from the many plans for town wide projects and co-operation now under consideration.

State Library personnel and local volunteers are at work on a Union Catalog of library books expected to be completed this summer.

The Thetford Mothers Club has been an inspiration by their enthusiastic town wide support of a Program for the Children – A Pre-School Story Hour, regular help in mending and care for childrens' books and cooperation with the librarians to secure speakers on "Choosing Children's Books", Mrs. Heilman, a State Librarian and Mr. Jaccoud from Baker Library. The Thetford Art Group has plans for next year to help loan pictures through the library. There is no limit to the program of services possible.

Our efforts in the year ahead will be first to finish paying for the building. Then all hands take hold to make the Program of Public Service connected with the Federation a joy to those who participate in the work and an inspiration to those who use the service.

BICENTENNIAL COMMITTEE

Your Committee wishes to report a generous and enthusiastic support of the Thetford Bicentennial Project as it slowly overcomes the normal difficulties and struggles with severe inflation. This support is a great satisfaction to your committee and we are grateful.

It has been our policy to keep in touch with State and National plans for celebration of our 200th Birthday and also the wishes of the Thetford people.

Under the present circumstances we do not suggest any new major town projects. We do have, however, a long list of interesting smaller projects that might be carried out successfully and would be glad to send a list to any interested organization.

There were two town gatherings planned in connection with our Bicentennial Celebration. A Bicentennial Flag Raising which was held so successfully on August 23, 1975 under the chairmanship of Mr. Kenneth Frederick. And a Dedication of our Bicentennial building to be held in the summer of 1976 for which plans are under way but no date set as yet.

Bicentennial Flag Raising

Our major event this year in celebration of our Country's 200th Birthday was the Bicentennial Flag Raising on the afternoon of August 23, 1975.

The meeting was held in the old church on Thetford Hill. The Honorable John S. Burgess, Chairman of Vermont's Bicentennial Committee presented a Bicentennial Flag which was accepted by George Stowell, Chairman of the Selectmen. Congratulations were offered to Thetford for being the first in Vermont to be approved in Washington as a Bicentennial Community.

Prof. Allen R. Foley, Professor Emeritus at Dartmouth, gave the Address, and Remarks on the significance of the occasion were made by Charles Latham, President of the Thetford Historical Society.

After singing a hymn together the participants left the church marching behind a brass ensemble to the flag pole on the Common where the Scouts assisted in raising the flag. The audience sang America the Beautiful, refreshments were served and then the new building was opened for general inspection.

THETFORD'S REVOLUTIONARY WAR SOLDIERS

In this bicentennial year, it seems fitting to enter into the Town's permanent records a list of the Revolutionary War service of men who are buried here or who lived here. The following record grew out of a project by the American Legion Post to put a marker on the grave of every Revolutionary soldier. A great deal of work has been done on this by Robert Bacon and by others before him, including Ethel Aldrich and Kathleen Bond. To this has been added research done by Mary B. Slade. Most of the information about service in Vermont comes from the *Vermont Revolutionary Rolls* compiled by John E. Goodrich and published in 1904 by The Tuttle Company; all this Vermont material has been re-checked in preparing the material for publication. Errors may still remain; and arbitrary judgments have had to be made in some cases. Other sources of material are indicated under individual entries.

Soldiers have been listed in two categories: those buried in town; and those who lived here but are buried elsewhere. In the first listing, these initials are used to indicate the various burying-grounds:

- ER — Evergreen Rest, new Thetford Center
- ET — East Thetford
- H — Hillside, Ellis
- K — Knox, behind Merton Godfrey house
- NT — North Thetford, Pleasant Ridge, Woman's Cemetery Association
- PM — Post Mills, Pleasant Valley
- RM — Rice's Mills, Jackman
- SB — Sawney Bean
- TC — old Thetford Center

As will be seen, the typical Thetford soldier fits the common conception of a Minute Man, a farmer who leaves his plough in time of need and returns to it as soon as the need is over. Most Thetford soldiers served only long enough to answer a local need, the alarms at Strafford in 1777 and at Royalton and Newbury in 1780 and 1781. Another group, serving in late 1777, met the more distant threat posed by Burgoyne's invasion and returned home when it had passed (he surrendered at Saratoga in October 1777.) The service of 54 out of a total of 109 fell into these two categories. Among those with longer service, the most interesting are George Knox, William Heaton, Jonathan Nichols, Richard Wallace, and Abner Seelye. A final statistical note: Revolutionary service seems to have produced long life; of the soldiers buried in Thetford whose age is recorded, the median age at death was 79 years.

THETFORD RESIDENTS & PROPERTY OWNERS INFORMATION

Dogs four months of age and older must be licensed between January 1st and April 1st of each year. Before licensing, the dog must have a rabies shot and a certificate on file in the Town Clerk's Office. Rabies shots are good for 30 months.

Fees:	Male or Spayed Female	\$2.00	Female	\$6.00
Fees after April 1:	Male or Spayed Female	\$3.00	Female	\$9.00

Dogs which move into Town after April 1st, if licensed within 30 days of arrival, owners pay regular fee. After 30 days they are liable for the late fees. Please report all deceased dogs to the Town Clerk's Office. Licenses may be obtained by mail.

"The owner or keeper of 2 or more dogs, four months of age or older, kept for sale or breeding purposes . . . shall apply to the Town Clerk for a kennel permit . . . Kennel permit expires March 31." 20 VSA 3681

Polls -Cards will be filled out at the time of voting. Anyone missed at the time lists will go to their house. If they miss you, you are responsible for seeing that a card is completed and your name is placed on the poll list.

USA 32 Section 3601 The lists shall set the polls of all inhabitants of the state, citizens and aliens who are between the ages of 18 and 65 years in the Grand List in the town wherein such inhabitants reside on April 1 in each year.

Poll Tax Bills are mailed out June 22, 1976 and are payable on or before July 23, 1976. Payment of your poll tax does not place your name on the Check-list.

Property Tax Bills are mailed out July 22, 1976 and are payable on or before October 27, 1976.

Payments - All payments received in the office after the date due are considered delinquent, regardless of the date on the check or postmark, and will be turned over to the Tax Collector.

Delinquent Poll & Property Taxes will have a 8% penalty and warrant fee added, plus interest of 1% each month the day they become delinquent.

Checklists for election and town meeting close at 12:00 o'clock noon the fourth Saturday prior to voting. Application forms may be obtained at the Town Clerk's Office.

PERMITS NEEDED

Accesses from Highways A written permit is required from the selectmen for any access from property to state highways, state aid roads and all town roads. Anyone building and wishing to drive to their property from these roads must obtain a permit.

Section 43: It shall be unlawful to develop, construct or regrade any driveway, entrance or approach, or build a fence or building, or deposit material of any kind within, or in any way affect the grade of, a highway right of way, or obstruct a ditch, culvert, or drainage course that drains a highway, or fill or grade the land adjacent to a highway so as to divert the flow of water onto the highway right of way, without a written permit from the Board of Selectmen. (V.S.A. 19: 1-43 Act 460)

Zoning Permits No building construction or land development may commence, or no land structure may be devoted to a new or changed use within the Town without a Zoning Permit duly issued by the Zoning Administrator as provided for in Section 4443 of the Act. (Thetford Zoning Ordinance Article 8, Section 820)

On Site Sewage Disposal System A person before constructing a sewage disposal system shall make application for a permit to construct, to the Local Board of Health, on the prescribed form, accompanied by a \$30.00 fee. A Sanitary Specialist will then inspect and test the proposed site, and give recommendations.

The local Board of Health must issue a Construction Permit before any construction is done. The Sanitary Specialist is to be notified 48 hours in advance as to the date the system is to be installed, so that he can make an inspection during construction. After all requirements have been complied with, an Occupancy Permit will be issued.

Applications may be picked up and filed with the Town Clerk.

Sub-division

No sub-division of land may legally occur without a hearing before the Thetford Planning Commission. Application forms and copies of the Thetford Sub-Division Ordinance are available at the Town Clerk's Office. Sometimes there can be confusion over the meaning of the Ordinance. Members of the Thetford Planning Commission will be glad to try to informally answer questions. A sub-divider is also welcome to come before the Planning Commission during one of its regularly scheduled meetings to ask questions.

Flood Hazard Regulations

Flood hazard regulations were adopted by HUD, October 20, 1975. Complete copies of the regulations may be obtained at the Town Clerk's Office.
